WELCOME TO

The Fete-ish *Experience*

Fete-ish Mas is a carnival band built for people who want more than a costume. We want you to feel **seen, celebrated and taken care of** from the day you register to the moment you cross the stage on Road Day.

Born from **Vision & Vine Collective**, a Black-owned Caribbean hospitality group, Fete-ish brings luxury hospitality to Guyana Carnival: stunning costumes, curated fetes, premium road day service, travel concierge and a community that feels like family.
